<th><strong>Overview</strong></th>
<th>Students will play Jeopardy with rangeland related questions.</th>
</tr>
</thead>
</table>
| **Goal(s) & Objective(s)** | Students will:  
- Identify true and falls questions about rangelands  
- Test their rangeland IQ while playing Jeopardy |
| **Prerequisite:** | All About Rangelands PowerPoint or Short Course on Rangelands |
| **Materials** | **Materials:**  
1. Jeopardy game board  
2. Whiteboards and marker for each student  
3. Jeopardy Questions with answers (attached) |
| **Teaching Activities:** | **Procedures**  
1. Divide students into 5 teams. Each student from each team will have a turn to come to the front 5 chairs for their turn. All students in the class will have a whiteboard and marker.  
2. The first 5 students come to the front chairs with their whiteboards. The first student chooses a category and amount listed on the front. After looking at the picture the first student to raise their hand with their marker in the air will be chosen to respond. Teacher will wait a few minutes to ask student to verbally respond so that students at their seats will also write their answer. They will write the answer on their whiteboard and turn it toward the teacher for approval. Students in the front chairs may NOT turn around.  
3. Teacher will ask the first student that raised his hand to respond in the form of a question: ex. What is pinnate?  
4. All correct answers from the front 5 students who are representing their teams will receive 20 points, but the first responder will receive points listed on the front of the Jeopardy board for his team.  
5. The next person on each team rotates to the front. The team who answered the previous question correctly will choose the next category and amount. All students will have the opportunity to have a turn.  
6. Teacher will keep score on the whiteboard |
| **Assessment:** | Assess students on how many questions they could answer correctly. |
Test your Range IQ
1. What is range?
   a. A series of mountains.
   b. A cooking stove that has an oven and a flat top with burners.
