

## ***Fire Safety Procedures:***

- Notify, in advance, any individual or agencies (principal, local fire protection unit, and/or maintenance staff) that would want to know that your activities involve fire.
- **BE AWARE OF YOUR SURROUNDINGS!**
- Choose open, well ventilated, debris and vegetation free location for this activity to reduce the chances of fire alarms being triggered.
- Be aware of wind direction and force. Postpone this activity if it is too windy and you will be working outdoors.
- Instruct students on the use of the spray bottles and fully charged fire extinguishers that must be in the activity area. Assign 1-2 students with firefighting duty—they should have spray bottles/hose in hand prior to lighting anything on fire.
- Instruct all students to NOT attempt this activity without an adult present.
- Student and teacher should wear safety goggles; tuck in loose clothes and tie back long hair.
- Have emergency phone numbers readily available
- Inform the students that they should never use fire without an adult present.
